

# 2023 Commemorative Order Form

**Orders must be placed by JUNE 1<sup>st</sup> 2023**

*We have some exciting things in the works for the next couple of years commemoratives! This year we have chosen a set of 6 napkin rings in a collector's wooden box. These rings will be of 6 different designs that will have artwork by Royal artists, 2 of which we've not used before.*

*For those that like to entertain, I can envision a well appointed dinner table set with these at each place setting.*

*Once again, if you are not attending the convention in person, the factory will be drop shipping directly to you. Again we are allowing every member to order up to 4 complete sets total. Orders are due by the cut off date of June 1<sup>st</sup>, 2023. So be sure to place your order today as **NO LATE ORDERS WILL BE ACCEPTED!***
