Ted Drewes Frozen Custard is a St. Louis Summer tradition for over 90 years. Ted Senior opened his first frozen custard store in Florida in 1929. In 1930, he opened his first St. Louis location. By 1958, the two St. Louis stands were all that remained. Ted Drewes has been a constant in St. Louis, still owned and operated by the Drewes Family.

(Please record the number of custards needed next to the space provided). Send this form in with your registration to Mark Skrobis. We will be serving this St. Louis treat following dinner on Friday. This is included in your registration price for the Convention. ***1 per attendee please.**
